I'm not sure every thing I sent out made it to you but I sent every thing following instruction in here Park County computer Data should be the logged in an outgoing mail I sent from the first complaint in January to March also I started putting out side the envelope the date and time the mail was sent capured by park County Video Crevallance all complaints incidents Monday January 9th Tuesday January 10th, Wensday January 11th, Monday January 30th February 12th, March 1st, March 9th are all on audio and video crevallance, can you check into this, I also sent names and signatures of witnesses of incidents, I've tried to talk to the sheriff about all incidents wrote multiple letters to sheriff and got stoped by this institution staff, noboy has came back to apalagize or investigate these incidents in here I've been getting acused of inventing, cicomventing, Harrased about this issues but all these things I'm complaing about did hapend proft is in the grievance process I tryed my best to sent out, if you notice also in every grievance nobody takes accauntability and nobody is held accauntable no resolution, I dont find any sence in the grievance process here a Park County Center they dont respect it, they dont follow the rules, I feel Discriminated, Harrased, threatend, Bullied I have been following the rules here the best I can

I respect Every single Deputy in here and yet still they are making me feel like I'm doing something wrong. I am starting to believe my ethnic race Hispanic has something to do with what's going on here. I am in maximum security since I got here, I get hit up with off the wall non-compliances to keep me in max that's why I say I have to walk on eggshells, ever since I filed the complaints, I have developed Anxiety, stress, Depression. I have pulled a muscle in my groin because of all the incidents in the complaints, I have asked medical for help here for these medical issues I have been experiencing. I have only got help with one Anxiety. I have put in multiple Non Emergency Medical Requests for help and got charged for every single one only got help with one. I am indigent and now I'm in debt to Park County Detention Center. I honestly believe my civil rights are being violated they say they are not but in every complaint I put in there was a lot of inconsistencies, rules broken, unprofessional Disrespect, Discrimination, Harassment, Threat, Defamation of character Slander Ext..... I'm also in here on charges based on speculation and hearsay in one of the cases I put in a petition Writ of Habeas Corpus Cas NO. 17-CV-004-S I'm about to put in another Petition Writ of Habeas Corpus on the other 2 charges. I am waiting to prove my innocence in all charges if I am found guilty I will accept the consequences but I'm not accepting extra punishment from this place because I'm innocent.

till proven guilty I'm trying to be strong, patient, and respect full, I am trying to be optomistic there is something wrong here I need help I've exsausted all remedies and grievances, apeals and no resolution They just tell me to do my time with that said I am from the United States I'm not an illegal alien I feel like they treating me that way thanks for your time

- Much Respect -
